# Changing Daymap Password for Students
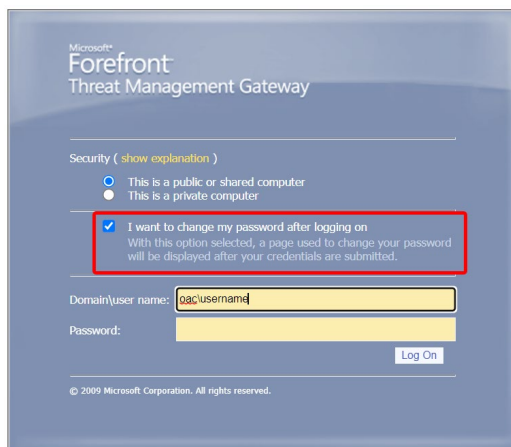

1. To change the Daymap password go to the Open Access College website **www.openaccess.edu.au**

2. Click on the **Students** link towards the top-right corner of the webpage.

   There are two login pages for the Daymap student portal. Both use the same login details.

OPTIONAL: If you wish to change your password after logging in, check the **box**
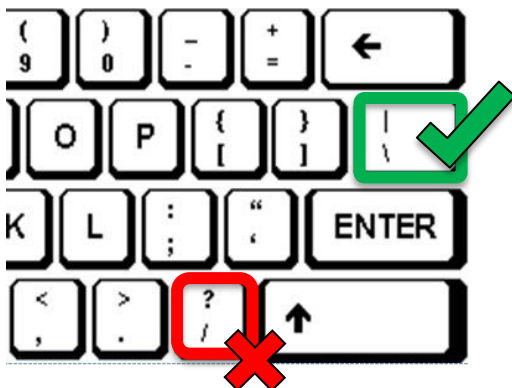

NOTE: May differ depending on web browser

Login details

Domain\username: oac*student ID*

NOTE: A **backslash ** separates the domain (oac) and the student ID number

Contact the Student Services Centre or your teacher if you're unsure of your Student ID.

If you require a password reset, contact Learning Technology Services:
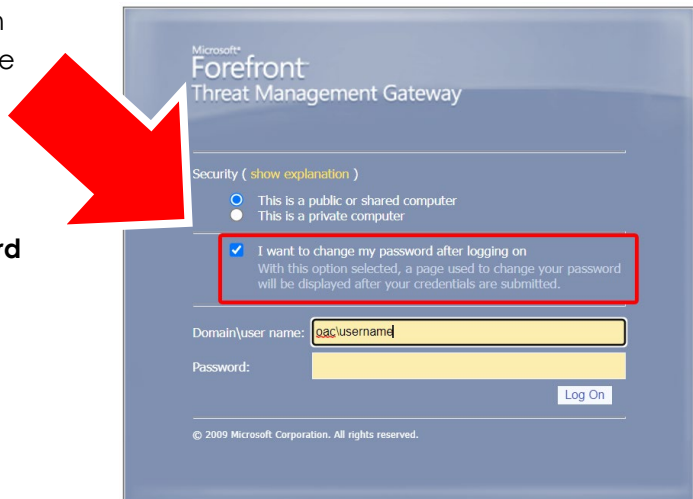

learning.technology799@schools.sa.edu.au
(08) 8309 3500 option 3

Changing your password

If you opted to change your password when logging on, follow the below steps to change your password.

NOTE:
You may also get the following screens if logging on for the first time or if your password has expired
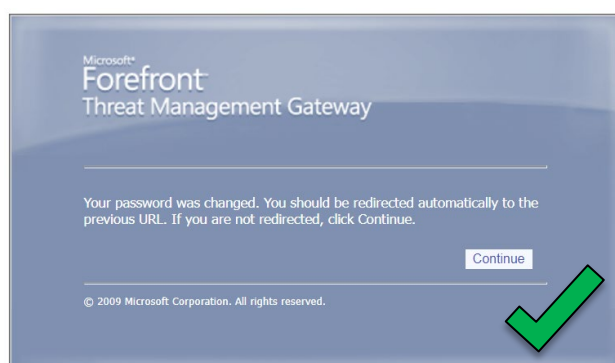

In the old password, input your current password.

The new password must:

- Have at least 1 uppercase (A-Z)
- **AND** have at least 1 lowercase (a-z)
- **AND** have at least 1 number (0-9)
- **AND** have at least 8 characters
- **AND** cannot be your name

Click on the **Change Password** button

If your password was changed successfully, you will see this screen.

If you require support changing your password, contact Learning Technology Services:
