

Resources available from the

Adelaide Botanic Garden (Outreach Education Service)

and their links to the

Australian Curriculum

Last updated Nov 2011

Resource	Appropriate Year Levels	Curriculum links	General Capabilities	Cross Curriculum Priorities
Australian Plants	R - 10	Science: Biology	Literacy	Sustainability
Aboriginal Plant Use	R - 12	Science: Biology	Intercultural understanding	Aboriginal and Torres Strait Islander Histories and Cultures
Belonging	3 - 12	English: Literature	Literacy; Ethical Behaviour	Sustainability
Biodiversity	R - 8	Science: Biology	Literacy	Sustainability
Bug Detective	3 - 7	Science: Biology	Literacy	Sustainability
Classification	7 & 11	Science: Biology	Literacy	
Desert Survivors	3 - 8	Science: Biology, Earth and Space	Literacy	
Dinosaur Daze	R - 7	Science: Biology	Literacy	
Ecotrek	4 - 7	Science: Biology	Literacy	Sustainability
Feral Plants	5 - 9	Science: Biology		Sustainability
Fibres	3 - 6	Science: chemistry	Literacy, ICT	Aboriginal and Torres Strait Islander Histories and Cultures

Greek Odyssey	R - 12	History: Knowledge and Understanding	Literacy; Intercultural understanding	
Indonesian Language and Culture	Beginner and Intermediate	Languages (yet to be released)	Literacy; Intercultural understanding	Asia and Australia's engagement with Asia
Life and Death in Ancient Egypt	4 - 8	History: Knowledge and Understanding	Literacy	
Living with Megafauna	R - 7	Science: Biology, Earth and Space	Literacy	Sustainability
Living with the Land	5 - 9	Science: Biology, Earth and Space	Literacy ; Intercultural understanding	Sustainability
Paper Chase	5 - 9	History: Knowledge and understanding	Intercultural understanding	Asia and Australia's engagement with Asia
Plants and People – A colonial view	5 - 10	History: Knowledge and understanding		Sustainability
Plants and People of Asia	6 - 10	History: Knowledge and understanding	Intercultural understanding	Asia and Australia's engagement with Asia
Plants and People of China	6 - 10	History: Knowledge and understanding	Intercultural understanding	Asia and Australia's engagement with Asia
Plants and the Environment	4 - 12	Science: Biology	Literacy	Sustainability
Plants for People	4 - 9	Science: Biology	Intercultural understanding	Sustainability
Plants in Danger	5 - 9	Science: Biology; Earth and Space	Ethical Behaviour	Sustainability
Rainforest Treasures	R - 3	Science: Biology; Earth and Space	Ethical Behaviour	Sustainability
Rainforest Walk	R - 12	Science: Biology; Earth and Space	Ethical Behaviour	Sustainability
Secret Garden	4 - 7	English: Literature	Literacy	
Strange Plants	R - 6	Science: Biology	Literacy	
Survivor: Pacific Island	8	History: Knowledge and understanding	Intercultural understanding	
Talking Trees	R - 2	Science: Biology	Literacy	Sustainability
Water World Quiz	R - 7	Science: Earth and Space	Intercultural understanding	

What bird is that?	3 - 12	Science: Biology		Sustainability
What's to eat?	3 - 7		ICT competence	Sustainability
