

Registering Adobe Creative Cloud 2017

1. An email from Adobe will be sent to your **Learnlink** email account.

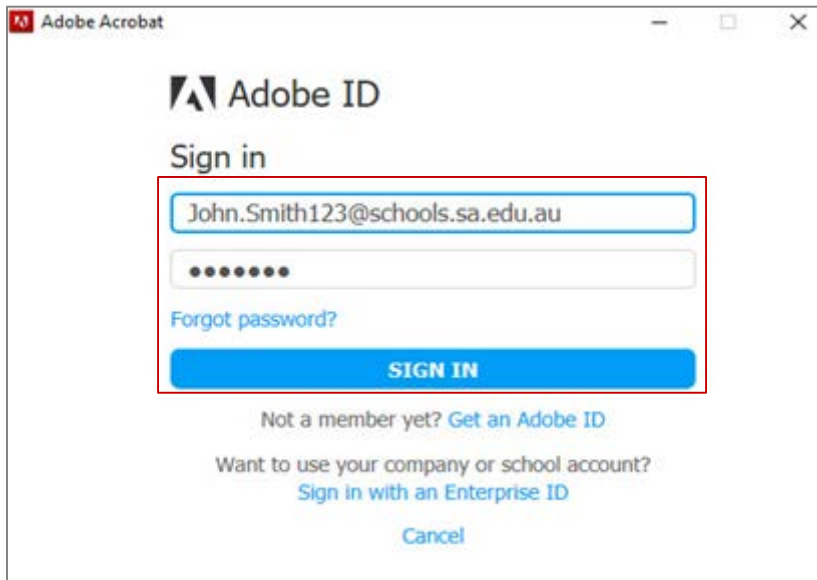

Click Accept invitation. This will open a webpage where you can register an account for use with Adobe Creative Cloud.

*It is recommended that you **use your Learnlink email address** to register.*

2. Open the **Start Menu**. Search for **Adobe** and open any one of the Adobe products.

3. Enter the email address and password you used to create your Adobe Account, then click **SIGN IN**
