

# 2020 TAFE & Uni Entry

We are here to help you through the whole tertiary entry process.

This flyer provides you with some key points. We encourage you to make an appointment (phone or visit) to discuss your university/TAFE choices and receive help with your application.

To use the links, access this flyer in digital format on the Open Access College website:

[www.openaccess.edu.au/students/pathways](http://www.openaccess.edu.au/students/pathways)

We look forward to hearing from you and assisting you with your application.

**Darren Jones & Katie Piper**

Every learner  
Every day  
Every way

To make an appointment contact Client Services.  
Phone **8309 3680** or **1800 882 328** or email [client.services@openaccess.edu.au](mailto:client.services@openaccess.edu.au)

## How do I apply for TAFE?

You apply online. Go to [www.satac.edu.au](http://www.satac.edu.au)

## What do I need for TAFE entry?

TAFE entry varies depending on whether courses are competitive or non-competitive.

Competitive courses generally only offer one or two intakes per year. Applications must be made within the advertised dates for these intake periods. Non-competitive courses can have immediate application and entry. Competitive courses rank applicants in merit order.

Students need to meet **Course Admission Requirements**

– **CAR**. These do not apply for non-competitive Certificate I, II and III courses.

Further information can be found in the course descriptions on the TAFE website:

[www.tafesa.edu.au/courses](http://www.tafesa.edu.au/courses)

The Core Skills Profile for Adults (CSPA) meets admission requirements for competitive courses. It is a tool designed to indicate reading, writing and numeracy/ maths skills.

CSPA information:

[www.tafesa.edu.au/apply-enrol/admissions-criteria](http://www.tafesa.edu.au/apply-enrol/admissions-criteria)

Because there are so many entry points for TAFE courses, it is particularly important to talk to us about your TAFE choices. The Work Ready program includes both TAFE and private VET providers.

## How do I apply for uni?

You apply online. Go to [www.satac.edu.au](http://www.satac.edu.au)

For Semester 1 2020 entry, if you have made an application with at least one course preference by **Monday 30 September 2019** you will avoid late fees and can **generally** adjust and “fine tune” your preferences later. Check inside front cover SATAC guide for exceptions.

You can adjust your 6 preferences (add, delete, or change the order) until **Wednesday 18 December 2019**.

This allows Year 12 students to focus on exams and final assignments at a busy time in Term 3 and finalise choices later.

This application process video is helpful:

<https://youtu.be/vljjf0X81bw>

### KEY DATES for Semester 1 2019 entry:

General university closing date:

**Monday 30 September 2019**

TAFE applications open:

**Monday 5 August 2019**

Access this flyer in digital format:  
[www.openaccess.edu.au/students/pathways](http://www.openaccess.edu.au/students/pathways)

## What do I need for uni?

University entry may be achieved through:

- Completing SACE – gaining an ATAR
- Adult entry – STAT (18 & over)
- Completed VET qualifications
- Foundation Courses & uniTEST

Some university courses require prerequisite subjects, or have assumed knowledge.

Download the SATAC Tertiary Entrance Booklet from this page (sidebar) [www.openaccess.edu.au/students/pathways](http://www.openaccess.edu.au/students/pathways)

*Tertiary Entrance* page 9-10 and 18-57.

The information and table on pages 38-65 of the *SATAC Guide* will give you details of 2018 lowest selection rank. These selection ranks should only be used as guides.

## Am I eligible for uni bonus points?

Bonus points schemes are now referred to as “adjustment factors.” There are two, the **Universities Equity Scheme** (five points) and the **Universities Language, Literacy and Mathematics Scheme** (two or four points). These replace all previous schemes.

### Universities Equity Scheme

Open Access College is not a specified school for this scheme. However, students who meet one of the criteria below can apply for individual adjustments. Students are eligible where:

- they or their parents are in receipt of a Centrelink means-tested income support payment
- they are holders of a Health Care or Pensioner Concession Card
- they are the holders of a School Card

You will be provided with instructions on applying for adjustments during your online application.

### Universities Language, Literacy and Mathematics Scheme

Two points automatically awarded for Stage 2 LOTE, English, English Literary Studies, Mathematical Methods and Specialist Mathematics. Maximum four points, minimum C- grade required.

The maximum adjustment any student can gain is nine. Adjustments are made to your university aggregate, boosting your ATAR. Your SATAC Tertiary Entrance Statement **does not** show your adjusted ATAR. Contact the relevant university or SATAC for this information.

**Further information:** Tertiary Entrance pages 12-13.

**SATAC website:**

[www.satac.edu.au/adjustment-factors](http://www.satac.edu.au/adjustment-factors)

## Am I eligible for adult entry to uni?

*The definition of “adult” is 18 years of age.*

STAT, work and life experience can provide access to university courses. For SA, it applies for students who are 18 years of age or over before 1 February 2019.

Check eligibility on page 17-19 *SATAC Guide*.

The three most common selection criteria for Special Entry are:

- Performance in the **STAT - Special Tertiary Admissions Test**
- Assessment of a Personal Competencies Statement
- Evidence of employment experience

*SATAC Guide*, pages 17-18 and online.

[www.satac.edu.au/undergraduate-clarify-personal-competencies-statement](http://www.satac.edu.au/undergraduate-clarify-personal-competencies-statement)

STAT preparation workshops are useful. Details page 19 *SATAC Guide*.

## What are the non ATAR pathways to uni?

Students with completed VET qualifications can use these for entry. Eligibility varies – see pages 15-17 *SATAC Guide* for details.

Each university offers foundation courses. Check their websites for details.

Flinders also has uniTEST: [www.flinders.edu.au/unitest](http://www.flinders.edu.au/unitest)

Talk to us if you are interested. uniTEST is offered at Open Access College.
