# Fees Sheet
# Flexible Learning Options - FLO

# 2021

*This document applies to fees incurred for students enrolled at Open Access College (OAC) via their local SA Government School ('enrolling school') participating in the FLO Program.*

OAC only provides courses at Years 10, 11 and 12 for FLO Enrolments.

**Details of Years 10 to 12 subjects offered including VET courses are outlined in the Open Access College Curriculum Guide available on the OAC website.**

OAC provides a range of services to support and complement FLO programs. Our priority is to work with the student, supporting agencies and the school to ensure the best outcome for the student. For many students, we believe returning to a face to face school and/or linking to pathways for further learning is a major objective of the relationship we establish together.

- FLO enrolments are negotiated by the FLO coordinator with an OAC counsellor.
- Enrolment is for a <u>minimum</u> of 10 weeks and is valid for the calendar year. Every enrolment needs to be negotiated each year. Please note that minimum invoicing is for one semester.

**IF THE STUDENT HAS A ONE PLAN - please forward with enrolment.**

OAC will issue invoices direct to the enrolling school for fees as indicated below. Please note:

- Invoices are payable by the enrolling school to '***Open Access College***'
- OAC invoices <u>must not</u> be passed onto parents/caregivers.
- The enrolling school is responsible for the distribution, and prompt return to OAC, of materials on loan to the student.
