

Fees Sheet Government Schools

This document applies to fees incurred for students enrolled as Curriculum Choice with Open Access College (OAC) via their local SA Government School or any school based in the Northern Territory ('enrolling school'). With regards to these enrolments:

- OAC will issue invoices directly to the enrolling school for fees indicated at items 1 and 3 below.
- Invoices are payable by the enrolling school to 'Open Access College'
- OAC invoices **must not** be passed onto parents/caregivers.
- Item 2 amounts will be recouped by DfE from the enrolling school. This does not apply to NT-Based Schools.
- The enrolling school is responsible for the distribution and return of materials on loan to the student.
