Acknowledgement of Country

We acknowledge the traditional owners throughout South Australia and we pay respect to the custodians of the land on which we live and learn. We respect their spiritual relationship with Country and acknowledge that their cultural and heritage beliefs are still as important to those living today.

We pay our respects to Elders past, present and emerging and we acknowledge the cultural authority of Aboriginal people visiting from other areas of South Australia and Australia.

2/7/2025
21/8/2025
9/9/2025
23/9/2025

Time

11:00am - 12:30pm

Year Levels

Year 10
Year 11-12

Location

Lot 51 Riddoch Highway, Tarpeena SA

Experience the cutting-edge timber processing industry firsthand with a guided tour of Timberlink Tarpeena, where you'll explore exciting career pathways and see modern manufacturing in action.

Students must wear closed covered shoes.

Mastering the Turf: Elite Turf Management at Adelaide Oval

FIP

Horticulture

Date

21/5/2025
30/7/2025
20/8/2025
24/9/2025

Time

11:00am - 12:00pm

Year Levels

Year 10
Year 11-12

Location

Adelaide Oval -
War Memorial Drive

Join us for an exclusive tour of Adelaide Oval, focusing on the world-class turf management that keeps this iconic venue in peak condition. Gain insight into the science, technology, and expertise behind maintaining elite playing surfaces. Meet the professionals who ensure the ground meets international standards, explore cutting-edge equipment, and discover the diverse career opportunities in turf management. Whether you're an aspiring turf manager or simply fascinated by the behind-the-scenes work of major sporting venues, this tour offers a unique glimpse into the industry's challenges and rewards. In accordance with oval access requirements, all attendees must wear flat, closed-toe shoes/boots or thick-heeled shoes/boots. Stilettos or thin-heeled shoes, which could penetrate the turf surface, will not be permitted.

Year Levels

Year 7-9
Year 10
Year 11-12

Location

1-19 Cormack Road, Wingfield

Discover what it takes to work with animals through an inspiring behind-the-scenes tour of the Animal Welfare League at Wingfield.

There is a \$15 fee for this tour which will be a donation to the Animal Welfare League, please contact Animal Welfare League for a receipt.

Horticulture Come and Try

FIP

Horticulture

Date

27/6/2025
29/8/2025

Time

9:00am - 2:00pm

Year Levels

Year 10
Year 11
Year 12

Location

SALC/ Rogerson Building, Minda Inc.
12-16 King George Ave, North Brighton

The South Australian Learning Centre (RTO ID 4881) is offering a come and try horticulture day at the Minda neighbourhood in North Brighton. This one-day event offers a fun and practical introduction to working in the horticulture industry. Set in one of Adelaide's most beautifully landscaped gardens by the beach, students will gain hands-on experience in key horticulture tasks.

Participants will also learn about pathways to study:

- AHC20422 Certificate II in Horticulture – available for school students
- AHC30722 Certificate III in Horticulture – available for trainees

You can request this event for your school

To book contact
salc@minda.asn.au

VanSchaik's BioGro Behind the Scenes Site Tour

FIP

Horticulture

Date

27/5/2025

Time

11:00am - 11:45am

Year Levels

Year 7-9
Year 10
Year 11-12

Location

Bio Gro 970 Wandilo Rd, Wandilo

Step behind the scenes at VanSchaik's BioGro and explore how they transform organic materials into sustainable products, while discovering diverse career pathways in this innovative environmental industry.

Students must wear closed in shoes. Teachers and students **MUST** complete the online induction form prior to attending (link in the event).

Agribusiness, Food and Wine/Beverages Events By Request

How to Request

To request one of these events, please contact the Department for Education at education.pathways@sa.gov.au. The team will work with you to tailor these requestable events where possible and will try and meet the needs for different locations, dates and student cohorts.

Racing SA Behind the Scenes of the Racing Industry

Thoroughbred Racing

Experience the thrill of South Australia's racing industry with an exclusive behind-the-scenes tour of Morphettville Racecourse! Explore the stables, state-of-the-art training facilities, and horse swimming pool before capturing a memorable photo at the iconic Winning Post. Hosted by Racing SA. Contact us for your chance to see the heart of thoroughbred racing up close.

- Year 7-12
- 20 per class
- 2 hours
- Government Schools Only
- Closed shoes required

Teacher PD - Racing

Thoroughbred Racing

Contact us to explore a unique teacher professional development opportunity with Racing SA, covering the diverse career pathways within the racing industry. Learn about the skills and roles that keep this dynamic sector running, from track management to race operations. This session will equip you with valuable knowledge to guide students towards exciting careers in one of South Australia's key industries.

- For Teachers
- Government Schools Only
- Closed shoes required

Morphettville Racecourse Turf Management

Horticulture

Ever wondered what it takes to maintain a world-class racetrack? Contact us to organise a Morphettville Racecourse turf management come and try event, where students can get hands-on experience in track and grounds maintenance. Learn from industry professionals about turf care, machinery operation, race day preparations, and the skills needed to keep South Australia's premier racecourse in top condition. Whether students are considering a career in turf management or just curious about what goes on behind the scenes, this is their chance to step onto the track and explore the industry firsthand.

- Year 7-12
- 25 per class
- 2 hours
- Government Schools Only
- Closed shoes required

Glenelg Golf Course Turf Management SA (Horticulture)

Horticulture

Contact us to arrange a school site tour at Glenelg Golf Course, a world-class course renowned for its elite turf management. Students will get a behind-the-scenes look at course maintenance, sustainability practices and the technology used to keep the greens in top condition. A great opportunity for those interested in horticulture, sports turf and environmental management.

- Year 7-12
- 25 per class
- 2 hours
- Government Schools Only
- Closed shoes required

Minda Horticulture Come and Try

Horticulture

See event listing on page 4.

OneFortyOne Site Tour

Forestry

Dive into the world of timber manufacturing at OneFortyOne's exclusive Try a Trade event, where you'll gain real industry experience through hands-on electrical and mechanical activities, explore the high-tech saw shop, and discover exciting trade career opportunities in action.

Students must register their interest with their VET Coordinator – positions are strictly capped and you may be asked to provide an application saying why you are wanting to attend.

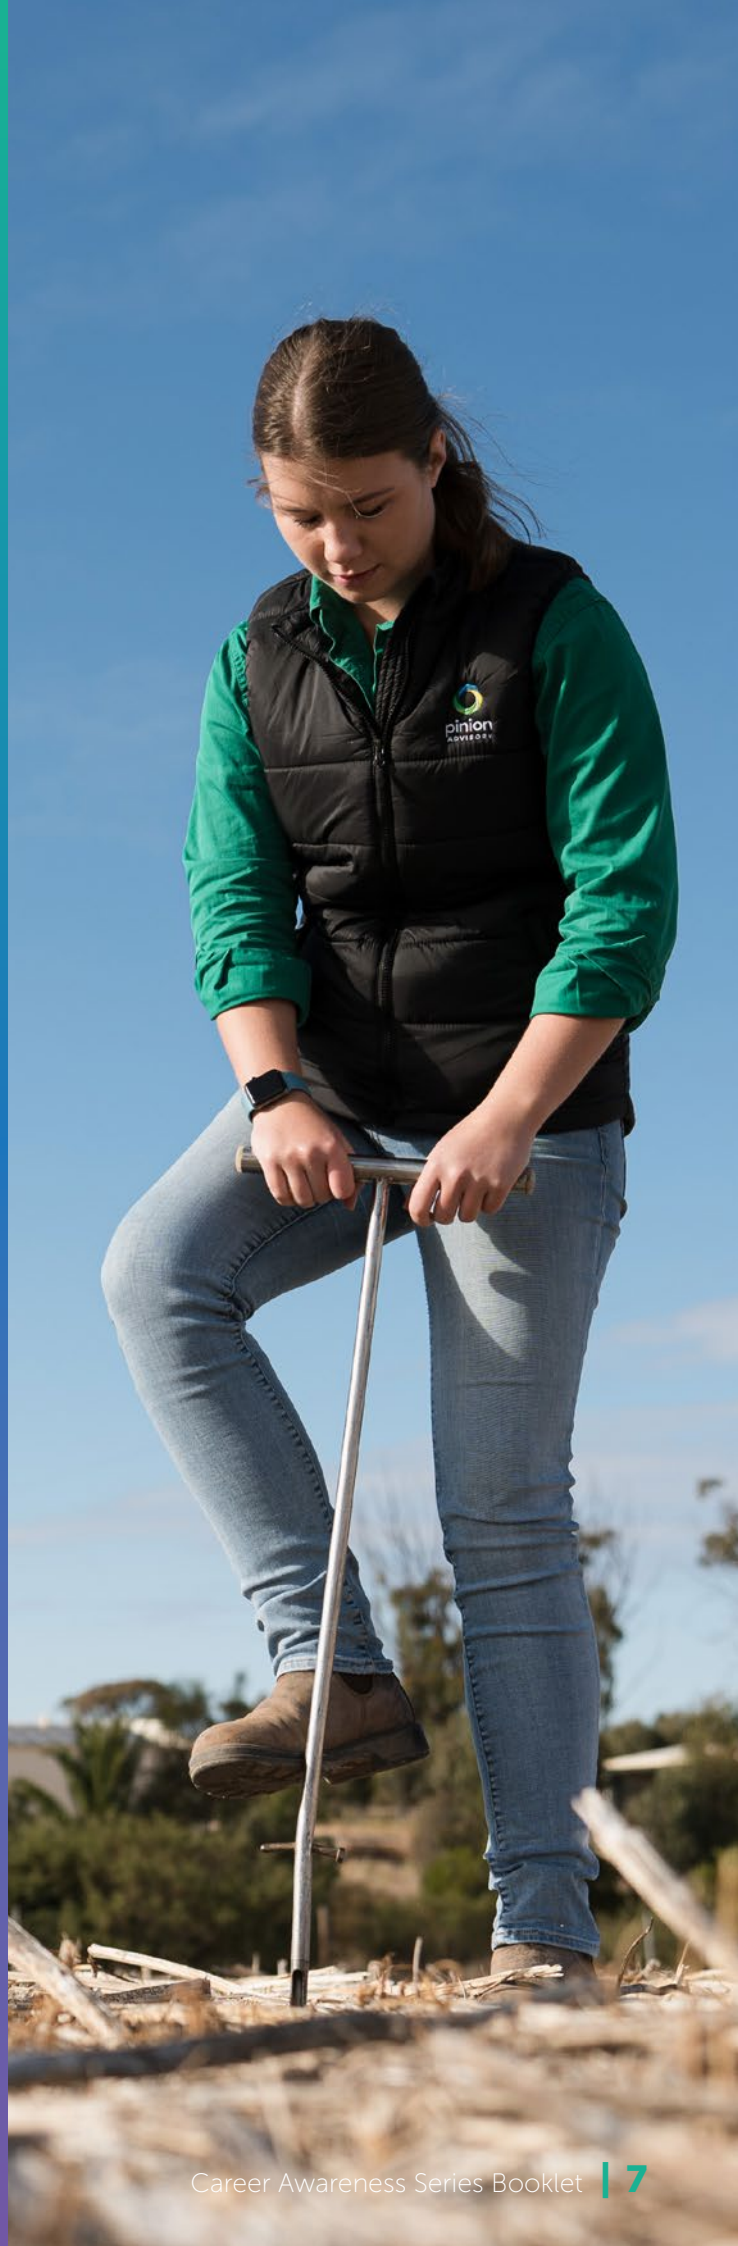

- Year 7-12
- 25 per class
- 2 hours
- Government Schools Only
- Closed shoes required

Food SA Site Tour

Food Processing

Contact us to organise a Food SA site tour, connecting schools with local food and beverage businesses to explore career pathways in this dynamic industry. Students will gain insights into food production, processing and innovation while learning from industry professionals. This is a fantastic opportunity to experience South Australia's thriving food sector firsthand and discover the skills needed for future careers.

- Year 7-12
- 12-15 per class
- 1 hour
- Government Schools Only
- Closed shoes required

Construction and Mining

Plumbing Try A Trade - Mt Gambier

FIP

Building & Construction/Regional

Date

5/05/2025
12/05/2025
16/06/2025

Time

9:00am - 3:00pm

Year Levels

Year 10
Year 11
Year 12

Location

TAFE SA Mt Gambier
158-174 Wireless Road West, Mt Gambier

A week-long immersive program for students focusing on plumbing skills while introducing related construction trades. Students participate in hands-on workshops complemented by introductory sessions in bricklaying, tiling, and basic construction. All participants complete their White Card certification delivered by TAFE SA, providing them with the essential safety ticket required on construction sites. This program offers students valuable insight into plumbing as a career pathway while developing practical trade skills in a supportive learning environment.

Proudly sponsored by CITB

Wet Trades Try a Trade - Elizabeth and Tonsley

1 day per week for 5 weeks

FIP

Building & Construction

Date - Elizabeth

15/05/2025	Week 1 - Bricklaying
22/5/2025	Week 2 - Tiling
29/5/2025	Week 3 - Solid Plastering
5/6/2025	Week 4 - Paving
12/6/2025	Week 5 - Plasterboard

Date - Tonsley

16/05/2025	Week 1 - Bricklaying
23/5/2025	Week 2 - Tiling
30/5/2025	Week 3 - Solid Plastering
6/6/2025	Week 4 - Paving
13/6/2025	Week 5 - Plasterboard

Time

9:00am - 3:00pm

Year Levels

Year 9-10
Year 11-12

Locations

TAFE SA Elizabeth,
2 Woodford Road, Elizabeth

Tonsley TAFE SA
1284 South Rd, Tonsley

This Wet Trades Try a Trade program offers a hands-on opportunity for individuals to explore the fundamentals of bricklaying, tiling, solid plastering, paving, and wall and ceiling lining (plasterboard) in an interactive, 5-week program, with one session per week. Participants must commit to the full 5-week program from the start, unfortunately no late enrolments will be accepted.

The program provides a glimpse into the world of the trade industry, allowing students to engage in practical exercises such as laying bricks, laying tiles, laying pavers, fixing and flushing plasterboard, and plastering, all while using tools and understanding building materials—under the guidance of skilled instructors. It's an ideal introduction for those considering a career in building or construction, giving them a chance to determine if the trade is the right fit before committing to further training. Students must wear the following PPE; steel cap safety boots, Long pants and Long-sleeve top.

Proudly subsidised by CITB.

You can request this event for your school

Elizabeth

Tonsley

Plumbing Try a Trade - Albert Park

What could a career in health care look like? Are you thinking about the following roles? Aged care worker, Enrolled or Registered Nurse, Allied health assistant or Physiotherapist, Speech Pathologist or Occupational Therapist. Through a trainer-led experience, have a go at manual handling including use of lifting machines and slide sheets, infection control by handwashing with glo germs, check blood pressure and pulse, and practice allied health activities! Get 'in the know' about a range of health pathways to help you make informed decisions about whether health is the right path for you!

Contact Jo Chidgey at ANMEC
Jo.Chidgey@anmfsa.org.au
to organise your session

Exploratory Health Experience

Join us for a free health industry immersion experience providing exposure to health, aged care and disability pathways!

Sessions are flexible in duration and content delivery and can include exposure to:

- Manual handling - use of lifting machines, slide sheets, assisting people to sit/stand/get off the floor.
- Infection Control - handwashing with glo germs
- Bedmaking - how to make a bed per hospital or aged care requirements
- Communication activities
- Observation skills
- Taking a blood pressure, pulse, temperature
- Allied health assistance activities
- Use of interactive mannikins

Attendance in this session can support the VETRO evidence required by ANMEC should the student choose to pursue VET with us in the future.

Come on a behind the scenes tour of the Royal Adelaide Hospital!

FIP

Health Support

Date

13/8/2025

Time

10:00am - 12:45pm

Year Levels

Year 11-12

Location

Royal Adelaide Hospital,
Corner of Port Rd and North Tce, Adelaide

The Royal Adelaide Hospital is one of Australia's most technologically advanced healthcare facilities, integrating the latest innovations across health, education and research to deliver high-quality care. Students will have an opportunity to hear from some of our skilled professionals and learn firsthand about a typical day working in South Australia's flagship hospital.

Early Childhood Career Exploration

- Do you need a way for students to understand Early Childhood as a study pathway?
- Are you a VET Coordinator looking for a career exploration activity?

Gowrie SA is offering career exploration opportunities in our Children's Programs.

These opportunities are aimed at providing an insight into a career working with young children in an education and care setting.

Gowrie SA offers programs for children from birth to school age and was built as a demonstration centre so that others could come and view exemplary practices.

We are offering:

- An overview of Gowrie SA current programs
- A small group guided tour of our Children's programs – infant & toddler spaces and integrated Kindergarten/Child Care
- Hearing from current educators about their career/study pathways, their role/responsibilities.
- Q&A with educators
- Practical session immersed in sensory experiences for young children

Dates: Can be flexible

Times: 9:30am - 2:30pm

Location: Gowrie SA, 39a Dew Street, Thebarton

Cost: \$50 pp (min/max numbers apply)

For more information or to make a booking at a date that works for your students:

train@gowriesa.org.au / 8234 5219

Also available!
**Observation
Tours**
1.5 hrs

Students are invited to attend a facilitated guided tour where they will observe educators and children in both the infant/toddler program and the Integrated Kindergarten/care environments.

They will observe current practice, explore the role of an educator and participate in a Q&A session about the role, program and qualifications required.

Cost: \$20pp for 1.5 hrs (group size 10-15)

Location: 39a Dew Street, Thebarton

Dates can be negotiated

Early Educators, Health, Human Services, Sports and Recreation Events By Request

How to Request

To request one of these events, please contact the Department for Education at **education.pathways@sa.gov.au**. The team will work with you to tailor these requestable events where possible and will try and meet the needs for different locations, dates and student cohorts.

Early Childhood Workplace Come and Try (Gowrie)

Early Childhood and Education

Gowrie SA is offering career exploration opportunities in its children's programs. These opportunities are aimed at providing an insight into a career working with young children in an education and care setting. - Government Schools Only

Minda Disability Support Come and Try

Aged Care/Disability

The South Australian Learning Centre is offering an industry immersion day at the Minda neighbourhood in North Brighton.

This 1-day event will provide students with first-hand industry exposure with one of South Australia's largest disability providers.

Designed to provide students with a variety of experiences and an understanding of the range of career opportunities. Tour different work areas, take part in practical activities, and meet staff and clients.

Students will also learn about opportunities to study the CHC33021 Certificate III in Individual Support with the SA Learning Centre, including placement at Minda. This qualification can be undertaken through a standard VET in Schools program or as part of Minda's school-based traineeship program in 2026 for successful applicants. Subsidised training is also available for school-leavers.

- Year 10-12
- 20 per class
- 5 hours
- Government Schools Only

Individual students, please register your interest through emailing your name, school, year level, interest area (horticulture or disability) and contact details to salc@minda.asn.au.

For school group bookings please register your interest through emailing your name, school, student year level, interest area (horticulture or disability), number of students and contact details to salc@minda.asn.au.

Minda/South Australian Learning Centre is committed to providing an inclusive experience for all participants. If you have any accessibility needs, please contact the Student Pathways and Careers division. We will make every effort to accommodate your needs to ensure a positive experience.

The P.A.R.T.Y. Program

The P.A.R.T.Y. Program offers a unique, behind-the-scenes experience in an acute hospital setting, providing real-life exposure to the world of trauma care and rehabilitation. This full-day, interactive program gives young Australians exclusive access to a range of healthcare professionals, including:

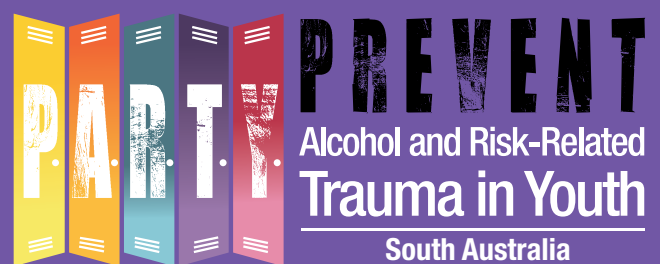

- Paramedics
- Trauma Doctors
- Specialist Nurses
- Allied Health Professionals
- Trauma Ambassadors
- South Australian Police Officers

By following the devastating path of a trauma patient through the hospital, participants gain a first-hand understanding of the consequences of risky decisions - decisions that can change lives forever.

P.A.R.T.Y. is delivered at South Australia's major trauma hospitals and as a powerful Mobile Program at your school.

Due to the topics discussed at P.A.R.T.Y. the minimum age is 15 years.

For more information or to register your interest for a 2026 program, please visit our website www.partyprogramsa.org and submit your registration before the end of July.

A head start to a hands-on career.

Five new technical colleges are being built across South Australia – 3 in metropolitan Adelaide and 2 in regional South Australia.

Technical colleges support students in years 10 to 12 to complete their SACE while undertaking vocational education and training (VET) in specialist designed facilities.

All learning is centred around an industry, designed and delivered in partnership with employers, with guaranteed career opportunities for graduates.

Findon Technical College

Offers industry training programs in:

- Advanced Manufacturing and Engineering
- Early Childhood and Education
- Health and Social Support

The Heights Technical College

Offers industry training programs in:

- Advanced Manufacturing and Engineering
- Aeroskills (for careers in aviation maintenance)
- Building and Construction
- Early Childhood and Education

Tonsley Technical College

Offers industry training programs in:

Contact us to organise a Morphettville Racecourse hospitality site tour, where students can go behind the scenes of this premier racing venue. Learn about event coordination, catering, and the range of hospitality careers that bring race days to life. A great insight into the fast-paced world of event and hospitality management.

- Year 7-12
- 20 per class
- 1 hour
- Government Schools Only

Transport and Logistics

Maritime - Come and Try

FIP

Maritime

Date

7/8/2025

Time

10:00am - 2:30pm

Year Levels

Year 9

Year 10

Location

AMFA Dockside North Parade,
Port Adelaide (enter on the Wharf side)

Through a trainer-led tour at the Australian Maritime and Fisheries Academy, students can learn how to tie a maritime knot, spend time on a virtual reality simulator, have a life raft explained while being able to jump into one and handle a fire extinguisher. The students will then be given a tour of the One and All Sailing Ship where they can learn about maritime careers and experience some hands-on activities while aboard.

Transport Industry Careers Insight

FIP

Transport and Manufacturing

Date

19/8/2025

Time

10:30am - 12:00pm

Year Levels

Year 10

Year 11-12

Location

Collins Transport,
247 Cormack Rd, Wingfield

If you're interested in a career in Transport and Logistics, this tour will showcase what opportunities are available and allow you to learn more about what happens at Collins, a large road transport business with its head office based in Adelaide. Students will have the opportunity to learn about the various job roles involved in Heavy Vehicle Driving, Operations, Warehouse Loading / Unloading, Compliance Monitoring / Safety Management, Scheduling, Heavy Vehicle Maintenance / Repair, IT Systems and Administration. There will also be the opportunity for students to experience the Heavy Vehicle Simulator provided by the South Australian Road Transport Association (SARTA) on site.

Transport and Logistics Events By Request

How to Request

To request one of these events, please contact the Department for Education at **education.pathways@sa.gov.au**. The team will work with you to tailor these requestable events where possible and will try and meet the needs for different locations, dates and student cohorts.

Transport and Logistics Depot Site Tours

Transport and Manufacturing

Step into the world of transport and logistics with a behind-the-scenes tour of a road transport business. This site tour will showcase what career opportunities are available in an industry that keeps our economy moving from heavy vehicle driving, warehouse loading/unloading, vehicle maintenance/repair, operations, scheduling and compliance monitoring. Learn from industry professionals about the efficient systems and innovative technologies that keep goods moving smoothly across the country.

- Metro Only
- Year 11-12
- 15 per class
- 1 hour
- Government Schools Only

Career Roadshow - Discover your Future Self

The Career Roadshow is a leading careers event held across five key locations in South Australia: Kadina, Port Pirie, Port Augusta, Whyalla, and Port Lincoln. Designed to connect local communities with employment and career opportunities, the event highlights regional businesses, career pathways, higher education, training, and job prospects.

Attendees—including school students, job seekers, and career changers—can explore career options through interactive displays, apply for jobs, and enrol in courses on-site. It also serves as a valuable platform for organisations to engage with the future workforce, network with other businesses, and support industry growth.

-  **Year Levels**
- Year 7-9

Join us at the Adelaide Careers and Employment Expo on May 9-10, 2025, and take the next step toward your future! The Student Pathways and Careers Hub will be hosted by the Department for Education's Student Pathways and Careers (SPC) Division, connecting students with VET in Schools, future careers, and diverse pathways to success.

- Connect with industry leaders – Meet employers, training providers, and industry associations.
- Discover pathways – Learn about VET in Schools, apprenticeships, traineeships, and career opportunities.
- Engage in interactive experiences – Gain hands-on insights into different industries.
- Get expert guidance – Receive tailored advice to help plan your future.
- Learn more about South Australia's new technical colleges.

As part of Australia's largest career and jobs expo, the 2025 event is set to be bigger than ever. Don't miss your chance to connect with industry at booths and engage with leading employers and educators.

Automotive Precinct at the Adelaide Careers and Employment Expo May 9 & 10, 2025

The Automotive Precinct within the Adelaide Careers & Employment Expo gives you the opportunity to explore your passion within the automotive industry by linking you with highly successful automotive businesses that operate across South Australia, who will help your career thrive.

As the automotive industry booms it needs more ambitious, results-driven people looking to start an exciting career. The Automotive Precinct is an excellent way for you to explore your career options within this growing industry and gain valuable information to make an informed choice on your future.

Within the precinct, you will find a large variety of people who can guide you with insights on your chosen career pathway, along with interactive displays from a large variety of automotive sectors.

Have a chat to one of our knowledgeable industry leaders at the Expo and complete the 'Road to Auto' activity to enter into the draw for your chance to win a range of prizes.

EXPLORE CAREER & INDUSTRY IMMERSION EVENT AN OVERVIEW

WorldSkills – Test Your VET Skills!

Date: Friday 9th and Saturday 10th May 2025

Location: Adelaide Showgrounds, Goodwood Road, Wayville SA 5034

Think you have what it takes to compete in a skilled trade? Or explore a future pathway? Join us at the Career and Employment Expo at the Adelaide Showgrounds on Friday 9th and Saturday 10th May 2025 for WorldSkills activities!

What is WorldSkills?

WorldSkills is a skills competition for VET students giving you the chance to put your skills to the test and compete at local and national levels! Whether you're exploring a pathway in construction, hospitality, plumbing, hair and beauty, or any other trade, WorldSkills can open doors to career opportunities, industry recognition, and hands-on experience that will set you apart.

What's On?

Try'aSkill – Test your skills in plumbing, electrotechnology, hairdressing, cookery and more!

Explore exciting VET pathways for your future.

Connect with Student Pathways and Careers team to learn about vocational education and training opportunities.

This could be your first step on your journey to representing South Australia on a national stage!
