

Signing into and downloading Adobe applications

Opening Adobe Creative Cloud

1. Windows

Open the **Start Menu**. Search for **Adobe** and open **Adobe Creative Cloud**.

Mac

EITHER Open the Adobe Creative Cloud app from either the Applications folder or the Launchpad

OR Open Spotlight (keyboard shortcut [Command ⌘] + [SPACE]) then search for Adobe Creative Cloud and select the relevant application search result

If you don't have Adobe Creative Cloud installed on your computer

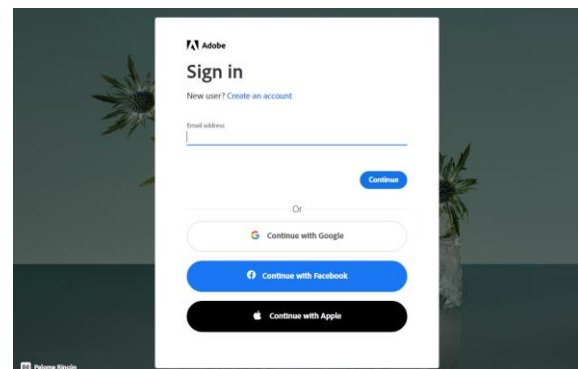

You can download from <https://creativecloud.adobe.com>

Signing into Adobe Creative Cloud

- In the **Email address** field, type your Departmental e-mail address and then click **Continue**

IMPORTANT: Do not click on the Continue with Google, Facebook, or Apple buttons

E-mail addresses are in the format of **Firstname.LastnameX@schools.sa.edu.au**, where X is a random number generated between 0 and 999

- If prompted to login to EdPass**

Students:

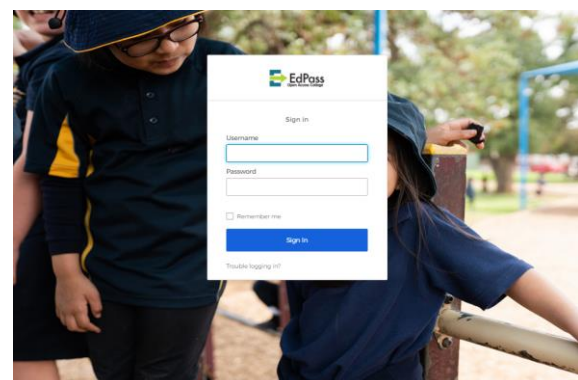

Username: Your Student ID number

Password: Date of birth
(YYYYMMDD format)

Staff:

Username: First 4 letters of your last name followed by the first 2 letters of your first name
(some exceptions apply)

Password: Your password to access computers and the Intranet

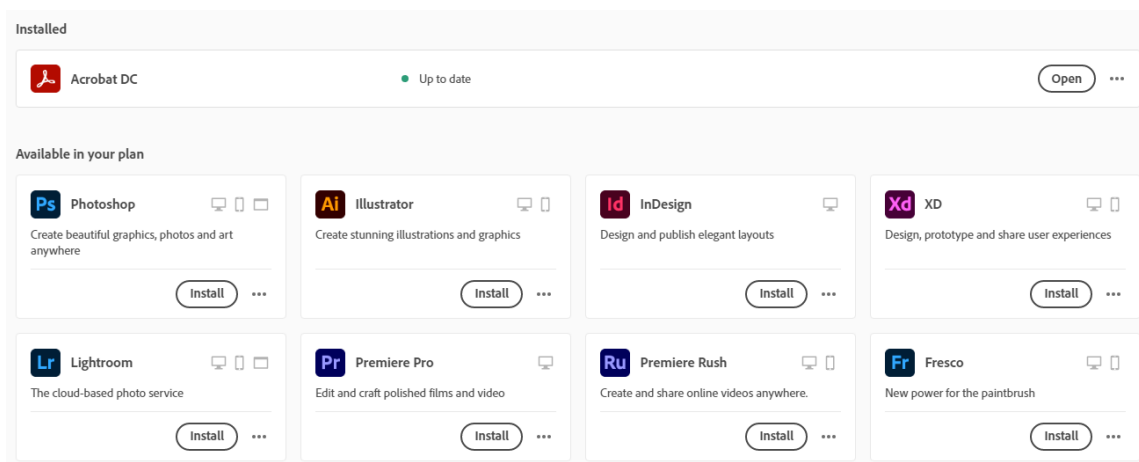

Downloading applications

When you log in, you'll get a page with the applications available in your college license.

4. Click on the **Install** button for each program you wish to download and install to your computer.

If you're unsure which application(s) are required for your studies

Please contact your school teacher

If you get messages which have any of these keywords:

- Try
- Buy
- X-day trial
- Subscription expired
- You need a subscription
- Authentication error/failed
- 404
