

Access Daymap for Parents and School Coordinators

1. Go to the Open Access College website (www.openaccess.edu.au)
2. Click on the **Parents** link towards the top-right corner of the webpage

The Daymap Parent Portal login page should then appear

If you've never used (or forgotten your access details to) the Daymap Parent Portal

3. Click on the **Can't access your account** link
4. Type your e-mail address as it appears on Open Access College records into the **Your Email Address** field and the student's ID number into the **Student Code** field

Student ID numbers are six-digit numbers

If you are the parent or school coordinator for more than one child/student, only one Student ID number is required. Your other children/students should appear automatically as the records are linked.

Enter the email address you have registered with the school along with a matching valid student code and a new password will be emailed to you.
