

## Daymap Quick Sheet for Parents

Through the Daymap Connect portal, parents and guardians can access important information relating to their children's education and notices from Open Access College. Where information for multiple students is being accessed, only one account will be needed to obtain all this information.

1. To access the Daymap Connect portal go to the Open Access College website ([www.openaccess.edu.au](http://www.openaccess.edu.au))
2. Click on the Daymap for Parents link towards the top-right corner of the webpage.

3. The Daymap Connect login page should then appear.

## If you've never used (or forgotten your access details to) Daymap Connect

4. Click on the **New User** link.
5. Type your e-mail address as it appears on Open Access College records into the **Your Email Address** field and the student's identification number into the **Student Code** field.

Student identification numbers are usually formatted as six numbers, the first two digits representing the student's year of first enrolment at the College.

Enter the email address you have registered with the school along with a matching valid student code and a new password will be emailed to you.
