ACKNOWLEDGMENT OF COUNTRY

Open Access College and our associated campus, The School of The Air at Port Augusta, covers more than twenty-five Indigenous Nations.

In the spirit of reconciliation, Open Access College acknowledges the Traditional Custodians of country throughout Australia and their connections to land, sea and community.

We pay our respects to their Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander peoples today.

OAC Mural completed in 2022 by OAC students with guidance from Cedric Varcoe, a proud Ngarrindjeri and Narargga man.

Student Poetry

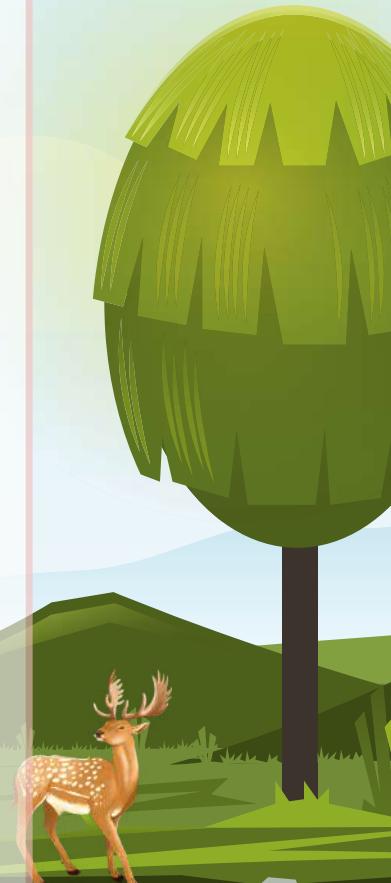

Charming Waters

By a Year 10 student

The lake welcomes all.
With a warm embrace,
It echoes an alluring call.
Its voice filled with grace,
Keeps me awake
I never want to leave
For the calm, crystal lake,
has captivated me.

Like a bear,
The trees stand strong.
Leaves dance in the air
Magpies sing a song.
Bees create honey,
As sweet as cake.
Snakes, frogs and bunnies,
All hang out by the lake.

By Portia (Year 10)

Awoken with your first thought
My phone, a tendency
That's become a dependency

You spot the time ticking away,
Another hour spent consumed
Becoming the victim of the algorithm
doom

'Just five more minutes,' you say
You return to the scroll,
As time continues its roll

With the morning gone,
Sucked away by the fear of missing out
Left with anxiety and a feeling that
messes about

All you can do is wonder,
Is this what I want?
Is this REALLY what I want?
