

Detecting plagiarism and similarity in Grammarly

OPTION 1: Via Grammarly Web

1. Go to <https://app.grammarly.com>
2. Either **create, select, or upload the document** you wish to inspect for plagiarism and similarity

The screenshot shows the Grammarly web interface. On the left is a dark sidebar with links: 'My Grammarly', 'Admin panel', 'Apps' (with a red notification badge), 'Support', and 'Sign Out'. The main area has a search bar at the top. Below it, there are two tabs: 'Today' and 'Earlier'. A document titled 'Lorum ipsum' is listed under 'Earlier', and a 'Demo document' is also shown. A red box highlights the 'New' and 'Upload' buttons. A cursor arrow points towards the bottom-right corner of the main panel.

3. Click on the **Plagiarism** button (bottom-right corner)
4. Review any **similarities** in the right panel

The screenshot shows a detailed plagiarism report for the document 'Lorum ipsum'. At the top, it says '6% Plagiarism'. The main content area shows '1% of your text matches this source' with a link to 'Opinion: On the Campaign couch ... with ...' by Bullmore, Jeremy. Below this, there's a list of '1 MATCH' with three items: 'Vestibulum ante ipsum prim...', 'Orci varius natoque penatibus et ...', and 'Deep Learning Using Unconventional Paradigms'. To the right, there's a sidebar with 'Great job!' (See performance), 'Goals' (Adjust goals), and sections for 'All suggestions' (Correctness, Clarity, Engagement, Delivery) and 'Plagiarism' (highlighted with a red box). At the bottom left, there's a note: '⚠️ Formatting tools are not available.' and a small icon.
