

Connecting to Parent Webex Session:

Supporting Your Child Through COVID19

- 1. Open a web browser (Chrome preferred)
- 2. Navigate to: https://openaccess.webex.com/
- 3. Click classic view (top right hand corner)
- 4. Click switch
- 5. Make sure Webex Training is selected and you are able to see a list of sessions:

Home Webex Meetings	Webex Events Webex Support Webex Training My Webex		Modern Vew 🚃 Log in			
	Live Sessions					
Unlisted Sessions Host a Session	Search for sessions by presenter, topic, or words in the agenda: Search Today Upcoming Daily Weekly Monthly		Co			
Set Up Webex Training Profesences	7:44 a.m., Thursday, March 19, 2020					
▶ Support	Show past sessions Show only sessions that require registration Imer Inpic In Progress	Presenter Duration	Total function of sessions 204 122			
	7/38 am SASPA_Test	TRT Teacher 1 hour	→ Join			

- 1. Find the Supporting Your Child Through COVID19 session and press Join on the right hand side
- 2. Enter your name, email address and session password which will be oac123
- **3.** Add or download the extension (depending on browser): Webex should start (sometimes slowly) if it takes awhile press the run temporary application button.
- 4. Once webex starts an Audio Conference button will appear; press the green button to call using computer.

You will then need to select your headset and microphone settings.
