

STUDENT PATHWAYS AND CAREERS AWARENESS MONTH

Events guide for school students

August 2023

**Student
Pathways**

Government of South Australia
Department for Education

Acknowledgement of Country

We acknowledge the traditional owners throughout South Australia and we pay respect to the custodians of the land on which we live and learn. We respect their spiritual relationship with Country and acknowledge that their cultural and heritage beliefs are still as important to those living today.

We pay our respects to Elders past, present and emerging and we acknowledge the cultural authority of Aboriginal people visiting from other areas of South Australia and Australia.

STUDENT PATHWAYS AND CAREERS EXPO

**Location**

Hall H, Adelaide Convention Centre,
North Terrace, Adelaide

**Dates**

16 and 17 August

**Times**

Day 1: 9.00am to 7.00pm (16 August)

Day 2: 9.00am to 3.00pm (17 August)

**Year levels**

7 to 12

Discover and explore the Student Pathways and Careers Expo! Delve into various career opportunities available in South Australia, spanning diverse fields such as defence and aerospace, health and social support, creative industries, building and construction, agribusiness, civil construction, ICT, cybersecurity, tourism and hospitality, automotive, manufacturing and many more.

Taking place over 2 days, students can take part in an abundance of interactive experiences. Take control in flight simulators, step into a cyber security operation centre and explore what early childhood education has to offer.

Teachers can attend with a group of students and also encourage parents and carers to attend with students after hours to witness the incredible sights.

[Register now](#)

STEM ABORIGINAL LEARNER CONGRESS

 **Location**
Adelaide Convention Centre,
North Terrace, Adelaide

 **Dates**
10 to 11 August

 **Time**
Day 1: 9.30am to 3.00pm (10 August)
Day 2: 9.30am to 2.30pm (11 August)

 **Year levels**
5 to 10

The congress aims to engage students with science, technology, engineering and maths learning and industry experiences to inspire students to realise aspirations, and take on challenging subjects at school and in future learning. The congress is designed within an Aboriginal community context, to enable eligible students to explore the skills needed as future STEM innovators and problem-solvers. Throughout the 2-day congress, students are invited to connect to their cultural identity and explore other cultural identities with Aboriginal STEM knowledge to unlock future STEM pathways.

Applications for the 2023 STEM Aboriginal Learner Congress have closed. To participate in the 2024 program, email education.stemcongress@sa.gov.au

STEM SISTA

 **Location**
Corner of North Terrace and Frome Road,
Adelaide

 **Dates**
7 and 8 August

 **Time**
9.00am to 4.30pm

 **Year levels**
7 to 12

The STEM Sista program empowers young women in years 7 to 12 who enjoy STEM subjects but may not yet be certain about pursuing a career in STEM. The program shows students career possibilities so they can get a better understanding of their potential career and pathway options.

[Register now](#)
