To the Open Access College Community

It is with great pleasure that I announce the reappointment of Julie Taylor as Principal of Open Access College for the next five years.

Along with the selection committee that included Governing Council and staff representation, I am confident that the college is well placed to continue its ongoing development under Julie's leadership.

As Education Director I wish the community well and look forward to working closely with Julie in the ensuing years to further improve the educational outcomes and opportunities for all Open Access College students and families.

A handwritten signature in black ink that reads "Greg Petherick".
